# Internship Finance System and Reporting Analyst

## Three Benefits of this Internship Program:

### Real World Exposure

Work on meaningful projects that connect finance and systems, gaining valuable insight into how businesses operate.

### Skill Development

Strengthen your analytical and technical skills, including tools like Excel and PowerPoint, while learning how to improve processes.

### Professional Growth

Build confidence by collaborating across teams, supporting presentations, and contributing to cross-functional initiatives.

## What We Do Our Services

Musim Mas Group is one of the largest integrated palm oil companies. Headquartered in Singapore, our primary operations are in Indonesia, from cultivation to refining and manufacturing. We strive to provide innovative palm oil products and derivatives across multiple industries worldwide. From our plantations, mills, refineries, kernel-crushing plants, oleochemicals, and specialty fats plants, we manufacture palm oil and value-added derivatives before exporting these to customers via our extensive fleet of tankers and barges.
