

A member of the Musim Mas Group

# Internship Sustainability

Communications Intern

[www.musimmas.com](http://www.musimmas.com)

Internship  
Period:  
Negotiable

## Three Benefits of this Internship Program:

Hands-on experience in **sustainability and corporate communications** in a global agribusiness.

Opportunity to develop writing, storytelling, and content creation skills in a **professional setting**.

Insight into how communications play a key role in **driving sustainability impact at scale**.

## What We Do Our Services

Musim Mas Group is one of the largest integrated palm oil companies. Headquartered in Singapore, our primary operations are in Indonesia, from cultivation to refining and manufacturing. We strive to provide innovative palm oil products and derivatives across multiple industries worldwide. From our plantations, mills, refineries, kernel-crushing plants, oleochemicals, and specialty fats plants, we manufacture palm oil and value-added derivatives before exporting these to customers via our extensive fleet of tankers and barges.

## Reports To: Assistant Manager, Corporate Communications

The Sustainability Communications Intern will support our team in telling the story of these efforts to stakeholders across the globe. This role offers valuable exposure to sustainability reporting, stakeholder engagement, and corporate communications within a major agri-business.

### ◆ Responsibilities and Duties:

1. Assist in drafting, editing, and proofreading sustainability-related content for internal and external channels (website, social media, newsletters, press releases, reports)
2. Support the development and production of communications materials, including presentations, case studies and corporate collaterals.
3. Help maintain and update Musim Mas' corporate website and social media platforms with sustainability content.
4. Conduct desk research on industry trends, benchmarks, and stakeholder engagement to support content development.
5. Assist in the planning and coordination of events, campaigns, and communications projects.
6. Support the compilation of sustainability data and narratives for use in reports and external communications.
7. Provide project management support to the Sustainability Communications team.

Note: Internship opportunities and travel to Indonesia are available, providing valuable learning experiences for individuals passionate about sustainability.

### ◆ Qualifications:

1. Currently pursuing a Bachelor's Degree or Diploma.
2. Has the legal rights to seek employment in Singapore.
3. Fluent in English. Having Bahasa Indonesia is a plus.
4. Has strong writing, editing, and research skills, with excellent command of written and spoken English.
5. Creative, resourceful, and detail-oriented.
6. Have good interpersonal and communication skills.
7. Demonstrates an interest in sustainability, corporate responsibility, or the palm oil sector.
