About Musim Mas

Musim Mas is one of the world's biggest players in the palm oil industry. Our business is involved with every part of the palm oil supply chain: from managing plantations and mills to refining crude palm oil and manufacturing palm-based products, supported by an extensive fleet of ship tankers and barges that enhance our logistical capability.

We have 42,000 employees in 14 countries across Asia Pacific, Europe, and the Americas, committed to meet global palm oil demand in an environmentally, socially and economically viable way.

Vertically Integrated Business Model

Our competitive advantage lies in our vertically integrated business model including an extensive land and sea logistical network, as well as our RSPO-Segregated Supply Chain Certification. Customers can be assured of seamless and timely deliveries, especially in the handling of certified sustainable products.

Logistics

Commitment to Sustainability

Beyond the industry standard, we have stringent sustainability commitments which extend across our supply chain.

Improve the Lives of Smallholders, Workers, and Communities

Deliver Positive Environmental Impacts

Maintain Responsible and Enduring Relationships with Suppliers, Customers, and Stakeholders

Drive Innovation in Sustainable Practices

Product Excellence

Our products are formulated and tested in laboratories using the most stringent standards to achieve the ideal blend of performance and value to meet customers' needs. With our vertically integrated business model which includes extensive mid and downstream processing facilities, we are capable of managing an RSPO-Segregated supply chain and ensuring quality consistency.

Strong Operational Presence

We are one of the largest palm oil corporations in the plantation, refinery and oleochemicals sectors with significant market share. Our operational scale will ensure a reliable supply of raw materials and optimised logistical capability, creating value for our customers' supply chain needs.

Quality Certification

We understand that our customers have the highest expectations for quality standards. We are committed to offering a broad range of certification for quality management, food and feed safety and product certification such as GMP, Halal, Kosher, as well as sustainability certifications such as RSPO, ISCC and INS.
